Douceur d'hiver herbal Tea

The sweet aroma of a summer hike in the forest in your cup. Feminine, warm and colorful (no caffeine).

Boréale herbal Tea

The taste of the Great Outdoors. A soothing tea with summer Labrador's tea. Masculin, comforting, relaxing (no caffeine).

The balsam fir powder

Its aroma is simply exquisite... Open the bag and let yourself be transported! Used in herbal tea but also as a spice or simply sprinkled before serving.

La forestière

A wild mushroom powder with a unique flavor! To enhance the flavor of sauces, soups, omelettes, added to butter, mixed with breadcrumbs (with parmesan) or sprinkled over a melted brie.

Wild flowers and mint sugar

To sweeten your lips beautifully! To sprinkle on your tea or herbal teas or on your favorite desserts.

The Wintergreen and balsam fir sugar

The delicate taste of the pink peppermint and balsam fir... The soothing effect of the cottage!
